Kennel RUN Doors

The **Tobyguard kennel doors** are hand-welded and polished with the best stainless steel quality that reflects the 5-year warranty of our product. The **customized sizes** are perfect for new clinics and for renovations with restricted dimensions. Whether it is for a small or a big project, the **Tobyguard kennel doors will offer you a quality that will last a lifetime!**
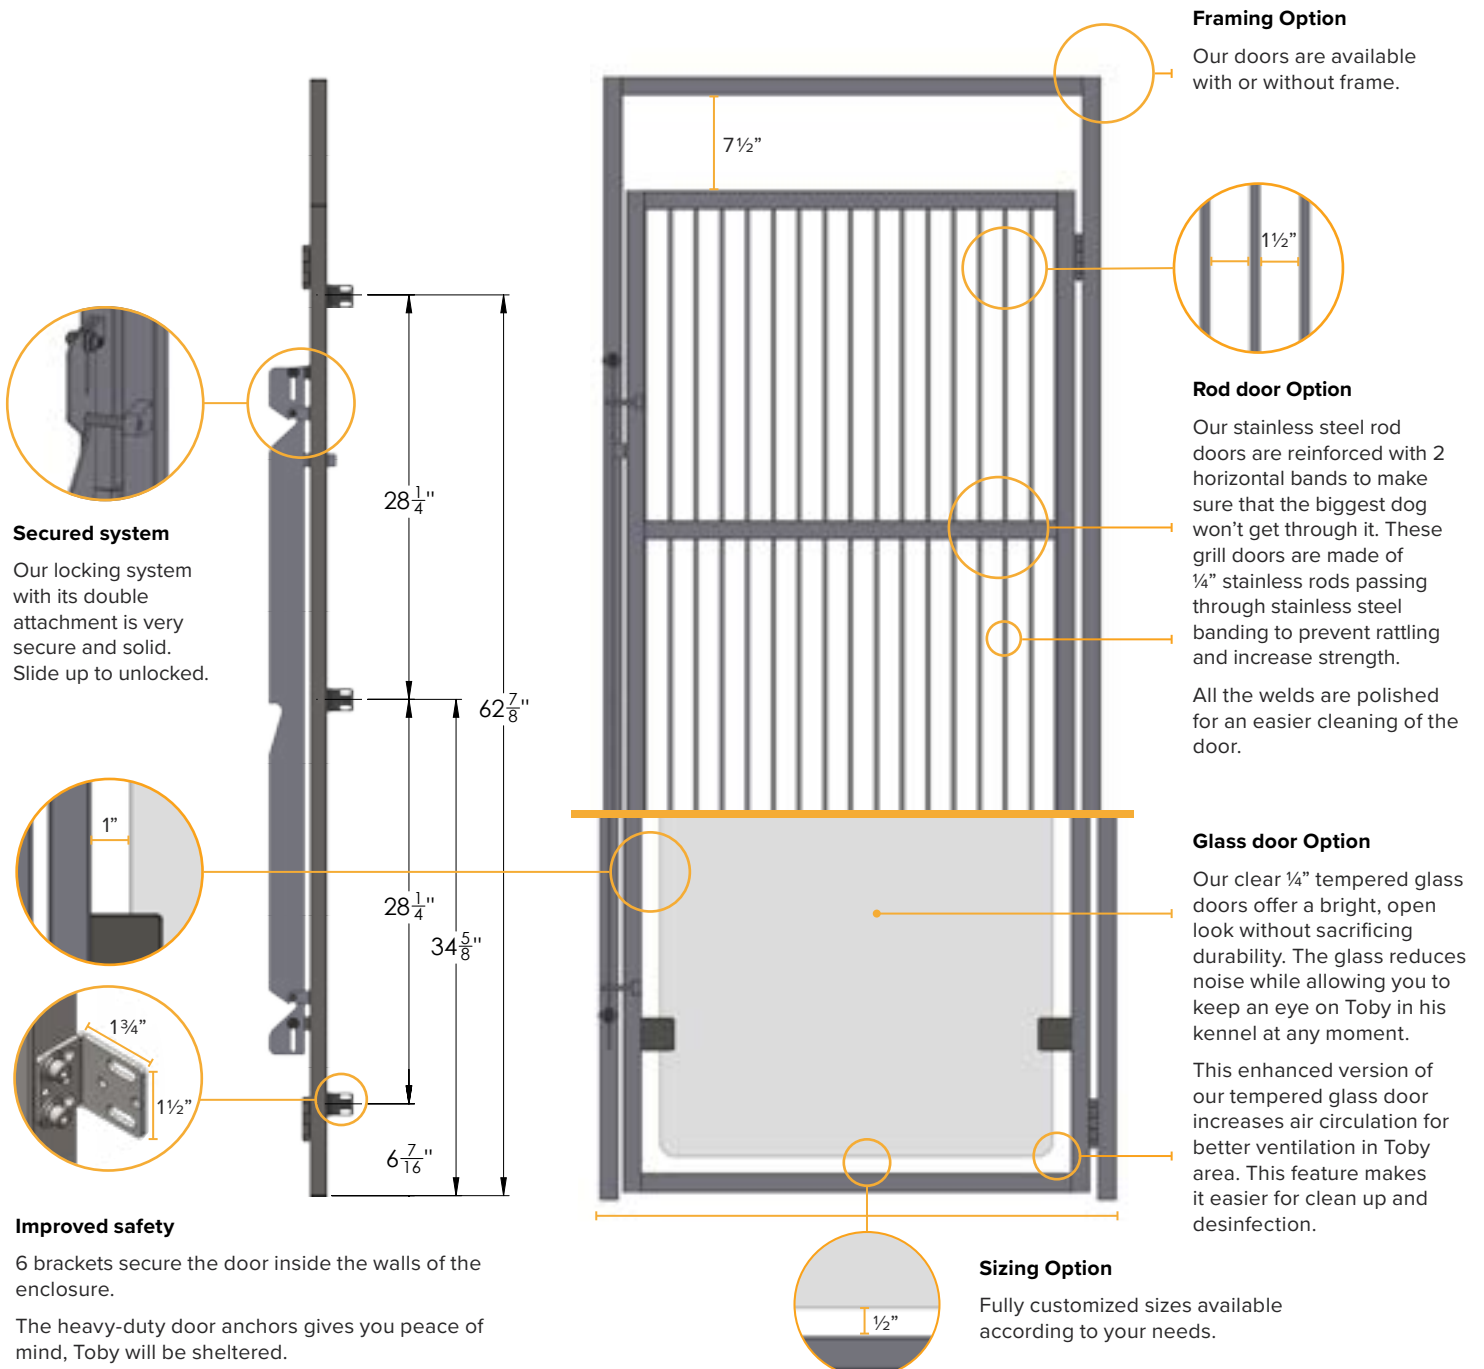

Custom door sizes from 28" to 36" (71.12 - 91.44 cm) width by 69.5" (176.53 cm) high. With or without framing option of 78" (198.12 cm) in height. **Contact us to see the complete listing of models offered!**

Top Frame Benefit: The top frame is engineered to distribute weight more evenly, reducing strain on the screws that secure the door into the wall. This results in improved durability and longevity of the installation, ensuring reliable performance over time.

Tobyguard.
By/Par Dispomed

5 years warranty

🍁 Manufactured by DISPOMED

Secured system

Our locking system with its double attachment is very secure and solid. Slide up to unlocked.

Improved safety

6 brackets secure the door inside the walls of the enclosure.

The heavy-duty door anchors gives you peace of mind, Toby will be sheltered.

Framing Option

Our doors are available with or without frame.

Rod door Option

Our stainless steel rod doors are reinforced with 2 horizontal bands to make sure that the biggest dog won't get through it. These grill doors are made of ¼" stainless rods passing through stainless steel banding to prevent rattling and increase strength.

All the welds are polished for an easier cleaning of the door.

Glass door Option

Our clear ¼" tempered glass doors offer a bright, open look without sacrificing durability. The glass reduces noise while allowing you to keep an eye on Toby in his kennel at any moment.

This enhanced version of our tempered glass door increases air circulation for better ventilation in Toby area. This feature makes it easier for clean up and desinfection.

Sizing Option

Fully customized sizes available according to your needs.
